Camps for children and YP

For many years we have been sponsoring children from the church here to attend **EMW camps** during the Summer holidays. Last year we also sponsored ten **young people in Ukraine** to attend a camp in July.

We have also been sending a small gift annually in support of such camps in **central Spain**.

These camps have been a special blessing to so many. If you would like to help by contributing towards the costs for any of these camps this year, please do so by using the CMF envelopes.

Our friends in Spain write :-

"Dear Gloucester Congregation.

First of all, thank you for supporting our camps for another year. As the recession continues in our country, we are very grateful for your financial support for this year's camps.

Our Easter camp went very well with nearly 40 young people attending and good teaching on how to live for Christ. Our summer camp will soon be upon us. Usually it's in the summer camp where we need to help the children financially with your gifts. Once again, thank you very much and we appreciate your support throughout all these years.

With love in Christ, God bless you.
